KEY TO COLOUR-CODING

This volume contains the corpus on which the analytical findings reported in the first volume are based. The qualification-types discussed under various examples cited in the first volume have been high-lighted by colour-coding them. The following is the key to the colour-coding system:

| S.No. | Qualification-type | Colour-coding |
|-------|---|---------------|
| 1 | Describing Cases | Yellow |
| 2 | Specifying Conditions | Green |
| 3 | Assigning Volitional Control | Light Green |
| 4 | Specifying Legal Means | Red |
| 5 | Ascribing Legal Purpose | Pink |
| 6 | Expressing Temporal Instructions | Dark Red |
| 7 | Indicating Textual Authority | Cyan |
| 8 | Referring to Terminological Explanation | Magenta |
| 9 | Providing Textual Mapping | Brown |
| 10 | Defining Legal Scope | Orange |
