

Soil and plant biochemistry

- 1 Davies, R.I., Coulson, C.B. and Lewis, D.A. 1
Polyphenols in soil profile development
Proc. Roy. Dublin Soc. 1, 183-189 (1960)
- 2 Coulson, C.B., Davies, R.I. and Lewis, D.A. 8
Polyphenols in plant, humus and soil: 1 Polyphenols
of leaves, litter and superficial humus from mull
and mor sites.
J. Soil Sci., 11, 20-29 (1960)
- 3 Coulson, C.B., Davies, R.I. and Lewis, D.A. 18
Polyphenols in plant, humus and soil: 2 Reduction
and transport by polyphenols of iron in model soil
profiles.
J. Soil Sci., 11, 30-44 (1960)
- 4 Davies, R.I., Coulson, C.B. and Lewis, D.A. 34
Polyphenols in plant, humus and
soil: 3. Stabilisation of gelatin by polyphenol
tanning.
J. Soil Sci., 15, 299-309 (1964)
- 5 Davies, R.I., Coulson, C.B. and Lewis, D.A. 44
Polyphenols in plant, humus and soil: 4. Factors
leading to increase of biosynthesis of polyphenols
in leaves and their relationship to mull and mor
formation.
J. Soil Sci., 15, 310-318 (1964)
- Drug metabolism
