

BIBLIOGRAPHY

Separation Processes

Liquid- Liquid Extraction

1. 'Advances in Equipment for Liquid-Liquid Extraction'
British Chemical Engineering, 113, No. 7, 1968, 981.
C J Mumford.
2. 'Drop Phenomena Affecting Agitated Liquid-Liquid Contactors'
Birm. Univ. Chem. Eng. 19, 3, 1968, 87.
C J Mumford.
3. 'Droplet Characteristics in Agitated Extraction Columns'
3rd CHISA Congress, Marianske Lazne, September 1969.
G V Jeffreys and C J Mumford.
4. 'Droplet Break-up Mechanisms in a Rotating Disc Contactor'
In Proc. International Solvent Extraction Conference, The Hague, 1971, 667-679.
G V Jeffreys and C J Mumford.
5. 'Optimisation of a Liquid Extraction Process'
 - (a) Paper presented to Symposium on the 'Economics of Solvent Extraction', Soc. of Chem. Ind, 29th October, 1970, and,
 - (b) J. Appl. Chem. Biotechnol. 1972, 22, 319-333.G V Jeffreys, C J Mumford and M H Herridge.
6. 'Liquid Extraction in a Continuous Agitated Horizontal Contactor'.
In Proc. International Solvent Extraction Conference, The Hague, 1971, 260-269.
C J Mumford.
7. 'The Effect of Wetting Characteristics upon the Performance of a Rotating Disc Contactor'
Proc. Int. Solvent Extraction Conference 1974, vol. 2, 1591-1617.
C J Mumford and A A A Al-Hemiri.
8. 'Droplet Size Distribution and Interfacial Area in Agitated Contactors'
Proc. Int. Solvent Extraction Conference, 1974, Vol. 2, 1619-1650.
D R Arnold, C J Mumford and G V Jeffreys.
9. 'Solvent Extraction - Stirring it up at ISEC 74'.
Process Engineering, Nov. 1975, 73.
G V Jeffreys and C J Mumford.

10. 'Phase Inversion in Agitated Columns'
paper presented to Institution of Chemical Engineers, 3rd Annual Research Meeting, Salford, 30-31 March, 1976.
S Sarkar, C J Mumford and G V Jeffreys.
11. 'Mechanisms of Phase Inversion in Rotary Agitated Columns'
Trans. Instn. Chem. Eng. 1980, 58, 1, 43-50.
S Sarkar, C R Phillips, C J Mumford and G V Jeffreys.
12. 'Liquid-Liquid Extraction with Interphase Chemical Reaction in Agitated Columns, 1-Mathematical Models'
Ind. Eng. Chem, Process Des. Dev, 1980, 19, 4, 665-671.
S Sarkar, C J Mumford and C R Phillips.
13. 'Liquid-Liquid Extraction with Interphase Chemical Reaction in Agitated Columns, 2 - Hydrodynamics and Mass Transfer in Rotating Disk and Oldshue Rushton Contactors'
Ind. Eng. Chem, Process Des, Dev, 1980, 19, 4, 672-679.
S Sarkar, C J Mumford and C R Phillips.
14. 'Drop Size Distribution and Dispersed Phase Hold-up in a Large Rotating Disc Contactor'.
Separation Science and Technology Int. Symposium, Gatlinburg, Tenn, USA and in Separation Science & Technology, 1981, 16, 9, 1217-1245.
G V Jeffreys, K K M Al-Aswad and C J Mumford.
15. 'Hydrodynamics and Drop Size Distributions in a Pilot Scale Sieve Plate Extraction Column'
Paper presented at Symposium on Liquid-Liquid Extraction Science, Instn. of Chem. Eng, Dounreay, 27-19, November 1984.
F A Dawodu, C J Mumford and G V Jeffreys.
16. 'The Hydrodynamics of a Pilot Scale Sieve Plate Extraction Column (SPC)'
Solvent Extraction and Ion Exchange Group Research Meeting, Soc. of Chem. Ind, 8th May 1985.
J O Ololodi and C J Mumford.
17. 'The Application of Drop Size Distribution and Discrete Drop Mass Transfer Models to Assess the Performance of a Rotating Disc Contactor'.
Am. Instn. Chem. Eng. Journal. 31, 9, 85, 1488 - 1497
K K Al-Aswad, C J Mumford and G V Jeffreys.
18. 'Mass Transfer Characteristics of Large Oscillating Drops'
Solvent Extraction and Ion Exchange Group Research Meeting, Soc. of Chem. Ind, 8th May 1985.
M M R Malalah and C J Mumford.
19. 'Characterisation of Hydrodynamic Parameters in Rotating Disc and Oldshue-Rushton Columns. Hydrodynamic Modelling, Drop Size, Hold-up and Flooding.
The Canadian Jnl of Chem Eng 63, October 1985, 701-709.
S Sarkar, C R Phillips and C J Mumford.

20. 'Correlation of Design Parameters for the Sieve Plate Extraction Column'
Accepted for publication, Int Solvent Extraction Conference, Munich, Sept 1986,
JO Oloidi, GV Jeffreys and CJ Mumford

Dispersions Separation

21. 'Coalescence in Packed Beds - Packing Selection and Hydrodynamic Behaviour'
In Proc. International Solvent Extraction Conference, The Hague, 1971, 400-417.
R J Thomas and C J Mumford.
22. 'Using Coalescer Aids to Improve the Design of Liquid/Liquid Settlers'
Process Engineering, December 1972, 54.
C J Mumford and R J Thomas.
23. 'Phase Separation of Primary Dispersions in Beds Packed with Spherical Packings'
Am. Instn. Chem. Eng. Journal, 21, 5, 1975, 910.
D Wilkinson, C J Mumford and G V Jeffreys.
24. 'Coalescence in Composite Packed Beds'
Journal for Theory, Technology and Application of Surfactants, 1981, 18, 4, 214.
A I Najmi, A B Ponter and C J Mumford.
25. 'Treatment of Droplet Dispersions'
(a) British Patent 1485623, 16th October 1973.
and,
(b) U.S. Patent 4129500, 12th December 1978.
G V Jeffreys, C J Mumford, F E G Ravault and C Washbourne.
26. 'Coalescence and Phase Separation in Packed Columns'
Paper presented at Solvent Extraction Meeting,
Instn. of Chem. Eng, Newcastle, 7-8th September 1976.
D G Austin, C J Mumford and G V Jeffreys.

Other Mass Transfer Processes

27. 'A Laboratory Course in Chemical Engineering Mass Transfer Operations'
TecQuipment Ltd, 1980, 332 p.p.
G V Jeffreys and C J Mumford.
28. 'Design of Tank Reactors for the Processing of Dispersed Liquid Systems'
Separation Processes Service Design Report, DR26,
A.E. R. E. Harwell, 304 p.p, 1985.
G V Jeffreys and C J Mumford.

29. 'A Receding Interface Model for the Drying of Slurry Droplets'
Awaiting Publication, Am Instn Chem Eng Journal, June 1986.
H W Cheong, G V Jeffreys and C J Mumford.
30. 'Fractional Distillation'
TecQuipment Ltd, 1980.
G V Jeffreys and C J Mumford.
31. 'Optimal Separation of N-Paraffins from Kuwait Kerosene Using a Molecular Sieve Adsorbent'
Awaiting Publication, J Chem Tech & Biotech, 1986.
A M Al-Damkhi, R S Al-Ameeri, G V Jeffreys and C J Mumford.
32. 'A Study of Evaporation From, and Drying of, Single Droplets'.
Awaiting Publication.
H H Ali, C J Mumford and G V Jeffreys.

Chemical Engineering Loss Prevention & Pollution Control

Safety & Loss Prevention

33. 'Safety a Factor in Chemical Plant Design'.
In Symposium on Safety in Chemical Manufacturing,
Instn. of Chem. Eng, 18, February, 1971.
C J Mumford.
34. 'A Preliminary Study of Hazards to Toxic Waste Disposal Operators
on Ten Land Fill-Sites in Britain'
Ann. Occup. Hyg, 1975, 18, 213.
R C Keen and C J Mumford.
35. 'A Preliminary Survey of the Hazards to Operators Engaged in the
Disposal of Asbestos Waste'.
Ann. Occup. Hyg, 1977, 20, 85.
J S Kinsey, R C Keen and C J Mumford.
36. 'Waste Disposal - Reducing the Risks Involved'
Health and Safety at Work, October 1978, 70.
C J Mumford and R C Keen.
37. 'Major Hazards in the Chemical Industry, Part I - Their
Definition and Significance'
Jnl. of Occup. Acc, 1978, 2, 1-23.
P A Carson and C J Mumford.
38. 'Major Hazards in the Chemical Industry, Part II - Their
Identification and Control'
Jnl. of Occup. Acc, 1979, 2, 85.
P A Carson and C J Mumford.

39. 'An Analysis of Incidents Involving Major Hazards in the Chemical Industry'
Journal of Hazardous Materials, 1979, 3, 149-165.
P A Carson and C J Mumford.
40. 'New Projects - Hazard Assessment and Control - Part 1, Hazard Identification'
In 'Design 79', The Institution of Chemical Engineers, Birmingham, September 12-14, 1979.
C J Mumford and D A Lihou.
41. 'New Projects - Hazard Assessment and Control - Part 2, Assessment and Engineering controls'
In 'Design 79', The Institution of Chemical Engineers, Birmingham, September 12-14, 1979.
C J Mumford and D A Lihou.
42. 'New Projects - Hazard Assessment and Control - Part 3, Planning Controls and Minimising Risk'
In 'Design 79', The Institution of Chemical Engineers, Birmingham, September 12-14, 1979.
C J Mumford and D A Lihou.
43. 'Safety in University Chemical Engineering Departments'
(a) The Chem. Eng, June, 1980, 439.
and,

(b) Loss Prevention Bulletin, Instn. Chem. Eng. 032, 17-32.
C J Mumford.
44. 'Prediction of Acceptable Spacing Distances for Plants Involving an Unconfined Vapour Cloud Explosion Hazard'
In Symposium on Explosions, Fire Hazards and Relief Venting in Chemical Plant, Instn. of Chem. Eng, Sheffield, 12 March 1980.
G J Diaconicalou, C J Mumford and D A Lihou.
45. 'A Major Fire in a Floating Roof Crude Oil Storage Tank'
Loss Prevention Bulletin, Instn. of Chem. Eng, 057, June 1984,
C J Mumford.
46. 'Rapid Ranking of Hazards'
Loss Prevention Bulletin, Instn. of Chem. Eng, 059, October, 1984, 7.
C J Mumford and D A Lihou.
47. 'Loss Prevention Implications of Arson; Part 1, Case Histories & Prevention'
Loss Prevention Bulletin, Instn. of Chem. Eng. 065, October 1985, 1.
P A Carson, C J Mumford and R B Ward.
48. 'Industrial Health Hazards; Part 1 - Sources of Exposure to Substances Hazardous to Health'.
Loss Prevention Bulletin, Instn. of Chem. Eng. 067, February 1986, 1-18.
P A Carson and C J Mumford.

49. 'Loss Prevention Implications of Arson; Part 2, Investigation'
Loss Prevention Bulletin, Instn of Chem Eng (to be published September 1986)
PA Carson and CJ Mumford.
50. 'Control of Industrial Chemical Hazards'
Approx. 1000 p.p
Longman (In Press)
P A Carson and C J Mumford.

Pollution Control

51. 'Disposal of Liquid and Solid Wastes - the Law'
Chapter in 'Industrial Pollution Control'
K Tearle (ed), Business Books, 1973.
C J Mumford.
52. 'A Systems Approach to the Economics of Waste Handling'
Resource Recovery and Conservation, 1, 1975, 3.
A V Bridgwater, S A Gregory, C J Mumford and E L Smith.
53. 'Waste Recycling and Pollution Control Handbook'
706 pp.
a) George Godwin Ltd, UK 1979.
and,

b) Van-Nostrand-Reinhold, USA 1980
A V Bridgwater and C J Mumford.
54. 'Recycling Waste'
Crown Agents Quarterly Review, Spring, 1980, 12-18.
A V Bridgwater and C J Mumford.
